

6/14/21

Dear valued community partner,

The Domestic Violence Task Forces are planning the 5th annual 5K for this October to benefit our organization. The 5K will be in-person at the Kennebec Valley Community College Campus as well as online this year, in order to ensure high levels of participation! We will be serving as the fiduciary agent for this event (EIN# 01-0360714). A sheet with sponsor levels is enclosed.

Domestic violence is a problem that is all too often hidden behind closed doors and not discussed. This issue has been worsened by the lasting impacts of stay-at-home orders and the pandemic. We at Family Violence Project (the domestic violence resource center for Kennebec & Somerset Counties) are actively trying to shed light and change the culture on the plague of domestic violence that affects our friends, family, & neighbors. **We need your help to make our efforts go further!**

Our DV Task Force groups use a coordinated community response to the issues around domestic violence. The Sheriff's Depts, local PDs, the DA's Office, Probation, Social Service Agencies, DHHS, and Sexual Assault meet once a month to discuss our approach or train each other on all things DV. We also may be called to meet for a High-Risk Response Team or Enhanced Safety Planning with or on behalf of a survivor.

The stats from the last fiscal year are enclosed in this letter along with a brochure that describes our services.

Please help by choosing one of the sponsor levels to assist in making this effort a success! We cannot do it without valued community members like you! Thank you.

Thank you,

Pamela Morin,
Executive Director
